CS-IOT Undergraduate at RGPV | C++ & REACT.JS | Cloud Enthusiast | DSA | PASSINATE FITNESS COACH |GGITS'27
Jabalpur, Madhya Pradesh, India

Summary

Computer Science student focused on building strong problem-solving skills through Data Structures & Algorithms and core computer science fundamentals. I believe in execution over excuses. Alongside my technical journey, my experience as a gym trainer has built discipline, consistency, and the ability to perform under pressure — qualities I apply daily in coding and learning. Currently strengthening:

- Data Structures & Algorithms
- Object-Oriented Programming
- Core subjects (OS, DBMS, Computer Networks)

I am actively seeking opportunities in a reputed MNC where I can contribute as a developer, solve real-world problems, and grow in a high-performance environment. Open to internships, entry-level roles, and meaningful collaborations.

Experience

Bharat Sanchar Nigam Limited
Bharat Sanchar Nigam Limited" (BSNL(5G & IoT)
January 2026 - Present (9 months)
RIDGE ROAD JABALPUR
